

Surveys are an essential tool for assessing a subject and are a source of information for ongoing improvement. Items referring to the subject are related to the whole subject. Items referring to the professor are related to the specific performance of that professor. Please, take some time and honestly state your opinion. These surveys shall be kept completely anonymous.

Scale: 1- Very dissatisfied

2- Dissatisfied

3- Acceptable

4- Satisfied

5- Very satisfied

		TRADITIONAL SUBJECT	1	2	3	4	5
SUBJECT	1	My degree of satisfaction with the subject					
	2	Usefulness of teaching materials (books, pdfs, ppts...)					
	3	Correspondence between the hours of work spent and the ECTS assigned					
	4	Coordination of contents (in case there is more than one professor)					
	5	The way to assess the subject					
	6	Acquisition of skills for my training					
PROFESSOR	7	Preparation of the sessions by the professor					
	8	Clarity of the explanations given					
	9	The interest that the professor generates in the subject
